## HOW TO BEHAVE WHEN ALERT SIREN IS HEARD

If you hear an alert siren, please adhere to the following instructions\*:

**In a building** - enter the protected space, shelter, or reinforced security room, depending on the time available, and close doors and windows.

**Outside** - enter the closest building, depending on the time available. If there is no building or cover/shelter nearby, or if you are in an open space, lie down on the ground and protect your head with your hands.

**In a vehicle** - stop at the side of the road, exit the vehicle and enter the closest building or shelter. If it is impossible to access a building, cover or shelter during the time available - exit the vehicle, lie down on the ground and protect your head with your hands. In a case in which it is impossible to exit the car, stop at the side of the road and wait 10 minutes.

- **Residents of the top floor in a building of over 3 floors without a protected space, shelter, or reinforced security room should descend two floors down.**
- **Residents of the top floor in a building of 3 floors without a protected space, shelter, or reinforced security room should descend one floor down.**
- **Unless otherwise instructed - after 10 minutes you may leave the protected space.**
- **It is important to stay away from any foreign objects or rockets lying on the ground. In such case, please keep curious by-standers away and notify the police.**
- **Continue listening to the instructions issued by the media.**
